# Welcome To The Twice Brewed Inn

The Twice Brewed Inn is set amongst some of the most breathtaking scenery in England and stands in the shadows of Steel Rigg, without doubt one of the most dramatic parts of Hadrian's Wall. The Twice Brewed Inn is close to all the main Roman Sites, Vindolanda, Housesteads and The Roman Army Museum. The Inn is situated on the B6318 (The Military Road) midway between Newcastle upon Tyne in the East and Carlisle in the West.

This Inn provides accommodation with en-suite facilities available.

Relax in our traditional bar in front of the fire, where you can enjoy real ales, beers from around the world... and also a selection of over sixty rums. Check out our website for our international wine selection.

**FREE Wi-Fi Available**

## BEER GARDEN, INTERNET CAFÉ, DISABLED ACCESS & TOILETS

We provide home cooked food, locally sourced where possible and available all day in both the bar and restaurant. Other facilities include; accommodation, beer garden and grounds, coach and car park, cycle storage, see our website for all details.

As part of our Green Tourism Award we encourage our visitors to 'give the car a holiday' and take advantage of the Roman Wall Bus AD 122 which stops outside and links to all other public transport. Then you can treat yourself to our home cooked meals, which are served all day, using fresh local produce and served in either the bar, restaurant or beer garden.

**FINALLY, THE LEAFLET  
WILL BE AVAILABLE TO  
DOWNLOAD.**

*Situated in the Northumberland National Park*
